## TERRY'S JOURNEY TO CF LAND

Navigating the Adventures of Cystic Fibrosis

Terry Gene Wright (You?) | Oct 19, 2020 | ★★★★★ 4.24

TERRY'S JOURNEY TO CF LAND: Navigating the Adventures of Cystic Fibrosis is a children's story coloring book that follows and depicts the surreal journey of Terry Wright, a 58-year old African American male Cystic Fibrosis (CF) patient (born August 1962) who is not diagnosed until the age of 54, although he has been hospitalized, seen by an array of healthcare practitioners, and unknowingly dealing with the devastating consequences of CF throughout his entire life. ...more

## Newborn Screening for Cystic Fibrosis

Jürg Barben, Kevin W Southern (You?) | Sep 13, 2020 |

★★★★☆ 4.24

The introduction and widespread implementation of newborn bloodspot screening (NBS) for cystic fibrosis (CF) has offered earlier diagnosis and better outcomes for children with CF in many countries of the world. It represents a paradigm shift in the diagnostic pathway for these families. In contrast to a clinical diagnosis, infants are now referred for diagnostic testing after a positive NBS result. The introduction of NBS has enabled the provision of early appropriate treatment to prevent the manifestations of the disease. [...more](#)

## Breath from Salt

A Deadly Genetic Disease, a New Era in Science, and the Patients and Families Who Changed Medicine Forever

Bijal P. Trivedi (You?) | Sep 7, 2020 | ★★★★★ 4.54

"Elaborating on the science as well as the business behind the fight against cystic fibrosis, Trivedi captures the emotions of the families, doctors, and scientists involved in the clinical trials and their 'weeping with joy' as new drugs are approved, and shows how cystic fibrosis, once a 'death sentence,' became, for many, a manageable condition. This is a rewarding and challenging work." —Publishers Weekly Cystic fibrosis was once a mysterious disease that killed infants and children. [...more](#)

## Having Cystic Fibrosis Is A Lot Like Being A Super Hero

Dr. Kelsey M. Finn, Francesca Mendenhall (You?)

| Jul 23, 2020 | ★★★★★ 4.55

This book tells the story of Jack, a boy who has CF, and his CF Superpowers. This book is intended to serve as a way to communicate with children about CF, to embrace and foster acceptance of the human condition, and help children understand what Cystic Fibrosis means for themselves or someone they know who is affected by Cystic Fibrosis. The book also contains a section for parents of tips of how best to communicate with kids about CF. The tips in this section are based on empirical, peer-reviewed research. [...more](#)

## Cystic Fibrosis

### A Multi-Organ System Approach

Stephanie Duggins Davis, Margaret Rosenfeld, James Chmiel (You?) | May 21, 2020 | ★★★★★ 4.13

This book provides a comprehensive overview of the multisystem disease, cystic fibrosis, for both pediatric and adult patients. Written by experts in the field, the text outlines the progressive nature of CF as well as the impact of this autosomal recessive disease on the respiratory, gastrointestinal, endocrine, rheumatologic, and renal systems, as well as the patient's mental health. The book begins with a chapter describing the history of cystic fibrosis and how the face of this life-shortening disease has changed over the past several decades.

## Liam, Strong as a Tree

Meghan Behse, Liam Wilson, Leesa Ervin (You?) | May 4, 2020 | ★★★★★ 4.38

Liam couldn't be happier. He's off to kindergarten, where he's going to make a million new friends and learn a billion new things! Mom is worried about Liam going to school, but Liam knows he'll be fine. He has his oxygen mask and his medication for lunch and snack time. Plus, he knows he's strong as a tree. You see, Liam has a great big tree in his backyard. Mom says trees need lots of oxygen from the air, just like his lungs. And they need food from the ground, just like his tummy. Sometimes, their tree gets sick, sicker than the other trees. [...more](#)

## Loving Someone Who Is Dying

### Choose Your Attitude Create Your Life

Nicholas Strand (You?) | Apr 6, 2020 | ★★★★★ 4.54

A story of inspiration and hope. Heartbreak and reality. A quiet lesson in grace and acceptance from a young woman who saw life as an opportunity even when she was given a medical death sentence. Diagnosed with Cystic Fibrosis at age three, Brianna Oas Strand was told she wouldn't live past thirteen. A tragically short life spent in and out of hospitals, ruthless infections, medical trials and treatments, and no promises. But with a superhuman spirit and the support of her family and community, Brianna fought for not only each breath but to put life into each
